

International Workshop

Environmental Conflicts: Planning, Issues and Resolution

*September 4 – 6, 2014
Bucharest, Romania*

Organizer - Centre for Environmental Research and Impact Studies, University of Bucharest

Our partners

Faculty of Geography

Association for Biodiversity Conservation

Romanian National Authority for Scientific Research, CNCS – UEFISCDI

SURE – Society for Urban Ecology

Thursday – September 4

8:30 – 9:00	Registration of participants	
9:00 – 9:30	Opening ceremony	<p>Welcoming speeches from</p> <p>Mircea Dumitru – Rector, University of Bucharest</p> <p>Laura Comanescu – Dean, Faculty of Geography</p> <p>Cristian Ioja – Professor, Organizing Committee</p>
9:30 – 10:30	General presentation of the project <i>Modelling of environmental impact induced by the typologies of incompatible land uses in human settlements</i>	
10:30 – 11:00	Coffee break	
11:00 – 12:00	Key speaker	<p>Andre Torre – Institut National de la Recherche Agronomique, France</p> <p><i>The role of conflicts and negotiations in environmental and land –use conflicts</i></p>
12:00 – 12:45	Presentations	<p><i>Communism and environmentalism: documenting environmental conflicts induced by changing political regimes</i></p> <p>Alexandru Ionut Petrisor, Elena Tirziman - Department of Urban and Landscape Planning, Ion Mincu University of Architecture and Urban Planning, Bucharest, National Institute of Research and Development in Civil Engineering, Urban and Territorial Development URBAN-INCERC, Romania</p> <p><i>The Environmental conflicts in the Poland spatial planning system for example Krakow area</i></p> <p>Anna Łukasik - University of Agricultural in Krakow, Poland</p> <p><i>Hierarchization of the conflict potential of incompatible land uses in urban areas</i></p> <p>Diana Andreea Onose, Gabriel Vanau - Centre for Environmental Research and Impact Studies, University of Bucharest, Romania</p>
12:45 – 13:00	Article presentation	<p>Nita, M.R, Ioja, I.C., Rozyłowicz, L., Onose, D., Tudor, A. (2013), <i>Land-use consequences of cemeteries evolution in the Bucharest Metropolitan Area</i>, Journal of Environmental Planning and Management; 57:7, 1066-1082</p>
13:00 – 13:30	Discussion	Factors influencing environmental conflicts
13:30 – 14:30	Lunch break	

14:30 – 15:30	Key speaker	Ioan Ianos – University of Bucharest, Romania <i>Land use conflicts genesis by a passive urban management</i>
15:30 – 16:15	Presentations	<i>A case study on media framing of environmental conflicts</i> Mihai Razvan Nita, Simona Gradinaru, Cristian Ioan Ioja - Centre for Environmental Research and Impact Studies, University of Bucharest, Romania <i>Object based image analysis for effective city planning and dealing with local environmental conflicts: a case study of Brussels, Belgium</i> Polina Lemenkova - Charles University, Prague, Czech Republic <i>Traffic, railway and industrial noise – the discomfort reflected in conflict maps. A case study in Braila, Romania</i> Mihaela Picu - „Dunarea de Jos” University Galati, Romania
16:15 – 16:30	Article presentation	Iojă, I.C., Niță, M.R., Vânău G.O., Onose, D.A., Gavrilidis A.A. (2013), <i>Using multi-criteria analysis in identifying spatial land-use conflicts in the Bucharest Metropolitan Area</i> , Ecological Indicators, 42, 112-121
16:30 – 17:00	Discussion	Methods for assessing environmental conflicts
Friday, September 5		
09:00 – 10:00	Key speaker	Anna Hersperger - Swiss Federal Institute for Forest, Snow and Landscape Research WSL, Switzerland <i>Land-use conflict anticipation and resolution: insights for spatial planning</i>
10:00 – 10:45	Presentations	<i>The partnership approach: citizens as stakeholders in the siting of nuclear waste</i> Van Berendoncks Kris, Verhaegen Marlies - University of Antwerp, Belgium <i>Patterns in people's perception on the compatibility between different land uses</i> Constantina Alina Tudor, Ioan Cristian Ioja, Ileana Patru-Stupariu - Centre for Environmental Research and Impact Studies, University of Bucharest, Romania <i>Potential environmental conflicts in an oil oriented city. Case study – Ploiești, Romania</i> Athanasios Alexandru Gavrilidis - Centre for Environmental Research and Impact Studies, University of Bucharest, Romania

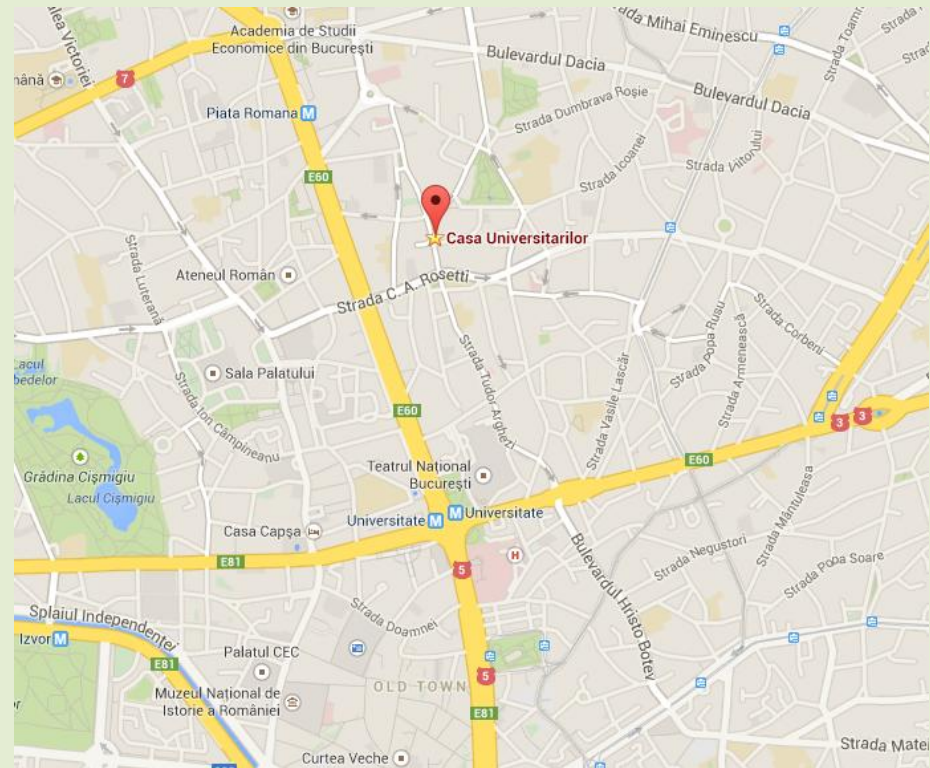

10:45 – 11:00	Article presentation	Tudor, C.A., Iojă, I.C., Stupariu, I., Niță, M., Hersperger, A. (2014), <i>How successful is the resolution of land-use conflicts? A comparison of cases from Switzerland and Romania</i> , Applied Geography, 47, 125-136,
11:00 – 11:30	Discussion	Environmental conflicts resolution
11:30 – 12:30	Lunch break	
12:30 – 13:30	Key speaker	Jurgen Breuste – Universität Salzburg, Austria <i>Urban Ecosystem Services: Urban green spaces as providers</i>
13:30 – 14:00	Presentations	<i>Mangrove plantation and breakwater systems for shoreline protection: Long-term assessment of the mangrove rehabilitation project at Sungai Haji Dorani, Malaysia</i> Roslan Hashim - University of Malaya, Malaysia <i>Managing urban landscape conflicts in Bucharest, Romania</i> Cristiana Maria Ciocanea - Centre for Environmental Research and Impact Studies, University of Bucharest, Romania
14:00 – 14:30	Discussion	Conclusions of the workshop
14:30 – 16:00	Guided tour	Environmental conflicts in the Bucharest city center
Saturday, September 6		
8:00 – 20:00	Field trip	Land use conflicts in Transylvania
10:00 – 16:00	Field trip	Land use conflicts in Bucharest

The workshop is organized in the framework of the research project *Modelling of environmental impact induced by the typologies of incompatible land uses in human settlements*, financed by Romanian National Authority for Scientific Research, CNCS – UEFISCDI, project number PN-II-RU-TE-2011-3-0285

Venue

The venue of the Workshop is [Casa Universitarilor Bucuresti](#).
Address: Str. Dionisie Lupu nr. 46, Sector 1, Bucuresti

Important: The workshop has no accommodation facilities available for the participants.

Publishing

Papers presented in the conference can be published as articles in [Carpathian Journal of Earth and Environmental Sciences](#).

Papers must fulfill the editorial requirements of the journal.

The articles will follow the revision process of the journal, facilitated by the organizing committee.
